

Enhancement: Adding Documents to FAQ module:

Two buttons have been provided ,one for adding a new document and one for selecting the existing document.

The screenshot shows the 'More Information' tab. At the top, there are two buttons: 'Select Documents' (green) and 'Add Document' (blue). Below these buttons is a table titled 'Attachments' with the following data:

Created	Title	Description	Attachments	Type	Action
2008-10-23	<a href="#">faq from faq</a>	a attachment from faq	<a href="#">query.txt</a>	Documents	<a href="#">edit</a>   <a href="#">del</a>
2008-10-24	<a href="#">dfdsfdf</a>	wewwewewewe	<a href="#">read_FAQ.txt</a>	Documents	<a href="#">edit</a>   <a href="#">del</a>
2008-10-28	<a href="#">test</a>	testing with accounts module	<a href="#">api_changed_for_security.txt</a>	Documents	<a href="#">edit</a>   <a href="#">del</a>
